8 **SEC. 3. CONTRACTS FOR FOREIGN AND INTERSTATE AIR
9 TRANSPORTATION.**

10 (a) IN GENERAL.—At the end of chapter 54 of title
11 39, United States Code, add the following:

12 **“§ 5404. Contracts for foreign and interstate air
13 transportation**

14 “(a) DEFINITIONS.—In this section—

15 “(1) the terms ‘air carrier’, ‘foreign air carrier’,
16 ‘foreign air transportation’, and ‘interstate air trans-
17 portation’ have the meanings given such terms in
18 section 40102(a) of title 49;

19 “(2) the term ‘certificated air carrier’ means an
20 air carrier that holds a certificate of public conven-
21 ience and necessity issued under section 41102(a) of
22 title 49;

23 “(3) the term ‘code-share relationship’ means a
24 relationship pursuant to which any certificated air
25 carrier or foreign air carrier’s designation code is

1 used to identify a flight operated by another air car-
2 rier or foreign air carrier; and

3 “(4) the term ‘Secretary’ means the Secretary
4 of Transportation.

5 “(b) INTERNATIONAL MAIL.—

6 “(1) IN GENERAL.—

7 “(A) USE OF CERTIFIED AIR CAR-
8 RIERS; CODE-SHARE RELATIONSHIPS.—Except
9 as otherwise provided in this subsection, the
10 Postal Service may contract for the transpor-
11 tation of mail by aircraft between any of the
12 points in foreign air transportation only with
13 certificated air carriers. A contract may be
14 awarded to a certificated air carrier to trans-
15 port mail by air between any of the points in
16 foreign air transportation that the Secretary
17 has authorized the carrier to serve either di-
18 rectly or through a code-share relationship with
19 1 or more foreign air carriers.

20 “(B) USE OF FOREIGN AIR CARRIERS.—If
21 the Postal Service has sought offers or pro-
22 posals from certificated air carriers to transport
23 mail in foreign air transportation between
24 points, or pairs of points within a geographic
25 region or regions, and has not received offers or

1 proposals that meet Postal Service requirements
2 at a fair and reasonable price from at least 2
3 such carriers, the Postal Service may seek of-
4 fers or proposals from foreign air carriers.
5 Where service in foreign air transportation
6 meeting the Postal Service's requirements is
7 unavailable at a fair and reasonable price from
8 at least 2 certificated air carriers, either di-
9 rectly or through a code-share relationship with
10 1 or more foreign air carriers, the Postal Serv-
11 ice may contract with foreign air carriers to
12 provide the service sought if, when the Postal
13 Service seeks offers or proposals from foreign
14 air carriers, it also seeks an offer or proposal
15 to provide that service from any certificated air
16 carrier providing service between those points,
17 or pairs of points within a geographic region or
18 regions, on the same terms and conditions that
19 are being sought from foreign air carriers.

20 “(C) METHODOLOGY FOR DETERMINING
21 FAIR AND REASONABLE PRICES.—For purposes
22 of this subsection, the Postal Service shall use
23 a methodology for determining fair and reason-
24 able prices for the Postal Service designated re-
25 gion or regions developed in consultation with,

1 and with the concurrence of, certificated air
2 carriers representing at least 51 percent of
3 available ton miles in the markets of interest.

4 “(D) CEILING PRICES.—For purposes of
5 this subsection, ceiling prices determined pursu-
6 ant to the methodology used under subpara-
7 graph (C) shall be presumed to be fair and rea-
8 sonable if they do not exceed the ceiling prices
9 derived from—

10 “(i) a weighted average based on mar-
11 ket rate data furnished by the Inter-
12 national Air Transport Association or a
13 subsidiary unit thereof; or

14 “(ii) if such data are not available
15 from those sources, such other neutral,
16 regularly updated set of weighted average
17 market rates as the Postal Service, with
18 the concurrence of certificated air carriers
19 representing at least 51 percent of avail-
20 able ton miles in the markets of interest,
21 may designate.

22 “(E) SITUATIONS IN WHICH CONCUR-
23 RENCE CANNOT BE ATTAINED.—If, for pur-
24 poses of subparagraph (D)(ii), concurrence can-
25 not be attained, the most recently available

1 market rate data described in this paragraph
2 shall continue to apply for the relevant market
3 or markets.

4 “(2) CONTRACT PROCESS.—The Postal Service
5 shall contract for foreign air transportation as set
6 forth in paragraph (1) through an open procurement
7 process that will provide—

8 “(A) potential offerors with timely notice
9 of business opportunities in sufficient detail to
10 allow them to make a proposal;

11 “(B) requirements, proposed terms and
12 conditions, and evaluation criteria to potential
13 offerors; and

14 “(C) an opportunity for unsuccessful
15 offerors to receive prompt feedback upon re-
16 quest.

17 “(3) EMERGENCY OR UNANTICIPATED CONDI-
18 TIONS; INADEQUATE LIFT SPACE.—The Postal Serv-
19 ice may enter into contracts to transport mail by air
20 in foreign air transportation with a certificated air
21 carrier or a foreign air carrier without complying
22 with the requirements of paragraph (1) or (2) if—

23 “(A) emergency or unanticipated condi-
24 tions exist that make it impractical for the

1 Postal Service to comply with such require-
2 ments; or

3 “(B) the Postal Service’s demand for lift
4 exceeds the space available to the Postal Service
5 under existing contracts and—

6 “(i) there is insufficient time available
7 to seek additional lift using procedures
8 that comply with those requirements with-
9 out compromising the Postal Service’s
10 service commitments to its own customers;
11 and

12 “(ii) the Postal Service first offers
13 any certificated air carrier holding a con-
14 tract to carry mail between the relevant
15 points the opportunity to carry such excess
16 volumes under the terms of its existing
17 contract.

18 “(c) GOOD-FAITH EFFORT REQUIRED.—The Postal
19 Service and potential offerors shall put a good-faith effort
20 into resolving disputes concerning the award of contracts
21 made under subsection (b).

22 “(d) SPECIAL CIRCUMSTANCES.—If the Postal Serv-
23 ice determines that service by certificated air carriers or
24 combination of air carriers between any pair or pairs of
25 points in foreign air transportation is not adequate for its

1 purposes, the Postal Service may contract, without adver-
2 tising for bids, in such manner and under such terms and
3 conditions as the Postal Service may deem appropriate,
4 with any air taxi operator or combination thereof for such
5 air transportation service. Contracts made under this sub-
6 section may be renewed at the existing rate by mutual
7 agreement between the holder and the Postal Service. The
8 Postal Service, with the consent of the air taxi operator,
9 may adjust the compensation under such contracts for in-
10 creased or decreased costs occasioned by changed condi-
11 tions occurring during the contract term. The Postal Serv-
12 ice shall cancel such a contract when the Secretary author-
13 izes an additional certificated carrier or carriers to provide
14 service between any pair or pairs of points covered by the
15 contract, and such carrier or carriers inaugurate schedules
16 adequate for its purposes.

17 “(e) TRANSPORTATION OF MAIL BY AIRCRAFT IN
18 INTERSTATE AIR TRANSPORTATION.—

19 “(1) DETERMINATION OF RATES AND CON-
20 TRACT TERMS.—The Postal Service may determine
21 rates and contract with any air carrier for the trans-
22 portation of mail by aircraft in interstate air trans-
23 portation either through negotiations or competitive
24 bidding.

25 “(2) MAIL SHIPMENTS OF LIVE ANIMALS.—

1 “(A) IN GENERAL.—In the exercise of its
2 authority under paragraph (1), the Postal Serv-
3 ice may require any air carrier to accept mail
4 shipments of day-old poultry, honeybees, and
5 such other live animals as postal regulations
6 allow to be transmitted as mail matter. The au-
7 thority of the Postal Service under this sub-
8 paragraph shall not apply in the case of any air
9 carrier who commonly and regularly refuses to
10 accept any live animals as cargo.

11 “(B) SURCHARGES.—Notwithstanding any
12 other provision of law, the Postal Service is au-
13 thorized to assess, as postage to be paid by the
14 mailers of any shipments covered by subpara-
15 graph (A), a reasonable surcharge that the
16 Postal Service determines in its discretion to be
17 adequate to compensate air carriers for any
18 necessary additional expense incurred in han-
19 dling such shipments.

20 “(f) APPLICABILITY TO POINTS WITHIN ALASKA.—
21 The authority of the Secretary and the Postal Service
22 under subsections (b), (c), and (d), as in effect on Sep-
23 tember 30, 2008, shall also apply, and the authority of
24 the Postal Service under subsection (e) shall not apply,
25 to the transportation of mail by aircraft between any 2

1 points both of which are within the State of Alaska and
2 between which the air carrier is authorized by the Sec-
3 retary to engage in the transportation of mail.”.

4 (b) CLERICAL AMENDMENT.—The table of sections
5 for chapter 54 of such title is amended by adding at the
6 end the following:

“5404. Contracts for foreign and interstate air transportation.”.

7 **SEC. 4. REDUCTION OF ALASKA BYPASS MAIL SUBSIDY.**

20 “(F) for fiscal year 2020, and for each fis-
21 cal year thereafter, that cover at least 50 per-
22 cent of the costs attributable to Alaska bypass
23 mail service in that fiscal year.

24 “(2) COSTS ATTRIBUTABLE.—The costs attrib-

1 shall include all the direct and indirect costs of Alaska
2 bypass mail service during that fiscal year that
3 are attributable to that service through reliably identified
4 causal relationships.

5 “(3) INSTITUTIONAL COSTS.—Costs that can be
6 attributed to Alaska bypass mail service may not be
7 classified as institutional costs of the Postal Service.

8 “(4) RATE INCREASE LIMITATION.—For fiscal
9 years 2014 through 2020, no rate for any type of
10 Alaska bypass mail service may be increased in a fiscal
11 year by more than the maximum permitted rate
12 increase for market dominant products plus an additional
13 1 percent.

14 “(c) COMPLIANCE.—

15 “(1) ANNUAL REVIEW.—At least once each fiscal
16 year, the Postal Regulatory Commission shall determine
17 whether the Postal Service is in compliance
18 with the requirements under subsection (b).

19 “(2) REMEDIAL ACTIONS.—If, under paragraph
20 (1), the Postal Regulatory Commission determines
21 that the Postal Service has not complied with the requirements
